DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 7-16-07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants fail to identify and/or properly identify the claims, of currently pending claims 1-6 and 8-18, encompassing the elected invention. Applicants need to confirm what species they intend to elect, because the currently indicated elected species is specifically mentioned in claims excluded from their current listing of claims identified to be encompassing of the elected invention {see claims 11 and 18}. Additionally, applicants need to confirm and/or indicate which of claims 1-6 and 8-18 are encompassing of their elected invention, including the further limited, but still generic, dependent claims of their invention. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Cooney whose telephone number is 571-272-1070. The examiner can normally be reached on M-F from 9 to 6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck, can be reached on 571-272-1078. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
